**14. What do you feel is the most significant factor that prevents students from setting postsecondary goals?**

Money and ability.; Their family situation. We have many students who do not want to leave their families because they are the caregiver. They feel that if they leave, no one will be there to assist their families.;

**15. What do you feel is the most significant factor that prevents students from achieving their postsecondary goals?**

Money and lack of family support; Lack of family support; I don't think high school classes teach the skills necessary to be successful in college, such as time management or note-taking. Many students are unprepared for lectures.;
