TXT 4 SUCCESS

Seniors in high school can sign up to receive college counseling via text messages through the TXT 4 Success Program. The text messages sent serve as general college reminders and advice, such as key deadlines and regular check-ins. The program works with students into their first year of college to ensure they are transitioning well into college life.

Students who opt-in to the service can text at any time to have any of their college questions answered by a real college access advisor. This program is free for all West Virginia GEAR UP students.
